THE NEW YORK SUN FOR 1879.

in a readable shape, and to tall the truth though the heavens fall.

the Truth and its own consictions of duty. That least amount of cont, white It paler need have. That is the policy which has we for this new paper the confidence and friendship of a wider constituency than was ever effected by any other American journal. hundred per cent. In pro-form for the poor man against the rich man, but it by materially increasing the seeks to do equa, justice to all increases in the ommunity. It is not the organ of any person. | cost of your fuel. class, sector party. Shere need be no mystery about its loves and hates. It is for the honest man against the rogues every time. It is for the honest honest Democrat as against toe dishonest Republican, and for the honest Republican against the dishonest D mocra. It does not take its cue from the ulterances of any politician or political organization. It gives its support uncities and towns where the Black political organization. It gives its support unreservedly when men or messure are in agreemen, with the Constitution and with the principles upon which this republic was founded for
the people. Whenever the Constitution and
constitutional principles are violated—as in the
outrageous conspiracy of 1876, by which a man
not elected was placed in the President's office,
where he still remains—it speaks out for the
righ. That is That turn idea of independence.
In this respect there will be no change in its In this respect there will be no change in its programms for 1879.

The cun has fairly earned the hearty hatred to rascale, frauds, and bumbugs of all sorts and sizes. It hopes to deserve that havred not less in the year 1:79 than in 18 8, 877, or any year gone by. The Sun is printed for the men and women of to day, whose concern is chiefly with the affairs of to day. It has both the disposition and the ability to afford its readers the prompter. It lies and most accurate it to light years. est, fullest and most accurate intelligence of whatever in the wide world is worth attention. To this end the resources belonging to well-established prosperity will be liberally em-

ployed.
the present disjointed condition of parties in the present disjointed condition of parties in this country, and the n certainty of the future ient an extraordinary significance to the events of the coming year. To present with accuracy and clearcess the exact fituation in each of its varying phases, and expound, according to its well-known me-hods, the principles that should guide us through the labyrinth, will be an important part of The Sun's work for 1879.

We have the means of making Twe Sun and We have the means of making The Eur, as a political, a literary, and a general newspaper, more entertwining and more ureful than ever \$115,400 DISTRIBUTED. before; and we mean to apply them freely.
